

## Graduation and Transfer-Out Rates

**Graduation Rates** are the *percentages* of degree-seeking or certificate-seeking students who graduate or complete within 150% of the normal time for graduation or completion in their program. For example, for a 4-year bachelor's degree the graduation rate is the percentage who graduate within SIX years. **Transfer-Out Rates** are the *percentages* who transfer to another postsecondary institution within the same 150% time frame. The rates reported on this page are for first-time, full-time students whose first enrollment is fall of 2016.
