Exclusive educational  
affiliate school of the  
American Ballet Theatre

**The School of Dance has given generations of talented young dancers the tools they need to succeed professionally.**

Today, our dancers concentrate in Classical Ballet or Contemporary Dance and train extensively with internationally recognized faculty to develop technical excellence that spans both styles. Equally at home in the studio and onstage, students work as professionals with choreographers in the industry, becoming truly versatile artists in the process. Here, you'll be challenged and supported, encouraged and elevated – and you'll be able to rise, becoming the dancer you were born to be.

# IN SCHOOL, I FOUND FREEDOM THROUGH CHOREOGRAPHY AND THAT CONTINUED TO BE REFLECTED IN MY EXPERIENCES AS A PROFESSIONAL

and regardless of the struggles, I learned how important it is to find liberation in all circumstances.
