Other Announcements

- Upcoming elections. Odd numbered districts and district 12.
 - We like to do it early so they can come to a few meetings
- Meeting time flexibility question was proposed. Staff Council has met at 11 a.m. – noon for at least 10 years. If anyone has an issue with departments scheduling or other conflicts, the Executive Committee will be happy to speak with the department head to allow staff attendance.
- Deb Carley said if anyone has HR issues bring them to her
- All-staff Meeting had been tentatively planned for the second in-service; however, the after timeframe would have kept the house-keepers from being able to participate. Board of Governors meets more often which has been taking the administration off campus more frequently.
- Someone asked if we could have Sarah Falls come talk about the library? Yes.
- Three speakers on the horizon: interim Director of HR Debra Carley, Joshua Canzona, UNCSA Ombuds, and Chief Compliance Officer and Director of Title IX Valerie Thelen.

Closing Remarks – Matt Horvat

- Matt: Any closing remarks?
 - None

*Next meeting will be Thursday, April 18th at 11 a.m. in the Cobb Training Room, Campus Police.
