

Announcing Single Sign On (SSO) for PeopleAdmin

We're excited to announce that we now offer Single Sign-On (SSO) for our PeopleAdmin Applicant Tracking and Position Management system. This system is used to manage permanent position descriptions and the recruitment and applicant tracking process. Not all employees are authorized to use this system.

All authorized users can now use their University credentials to log into the PeopleAdmin system.

- To log in visit <https://employment.uncsa.edu/hr>
- Select the link "For UNCSA Employees - Please click here to login".

University of North Carolina School of the Arts
