

UNCSA

STAFF
COUNCIL

IS PROUD TO PRESENT THIS
STANDING OVATION

Chase Rogers

TECHNOLOGY | AUGUST 2024

Nick Gawlick said, "Earlier this summer, UNCSA hosted representatives from each UNC System school on our campus. It was the first rainy day we had had in weeks and there were some technology hardware issues during a presentation that Chase helped troubleshoot, even when no one else was around and Chase was diligently working on another project - there was no expectation for him to walk halfway across campus to assist. But Chase did, going above and beyond and helping turn that rainy day into one more full of sunshine than clouds. Chase exemplifies exactly what it means to go above and beyond and his assistance and willingness to step in were greatly appreciated. Thank you, Chase!"
